

Come dressed appropriately

There is no place to change clothes.

Wear a beach badge

Modest user fees provide funds to maintain this natural asset.

Swim at a guarded beach

Mantoloking Beach Association badges can be purchased at the Downer Avenue lifeguard stand.

Sit close to the water

The upper beach is someone's front yard.

Stay off the dunes

They protect our town from storms, and we must preserve them.

Leave your dog(s) home

They are welcome to use the beach from September 15 to June 15.

Keep the beach clean

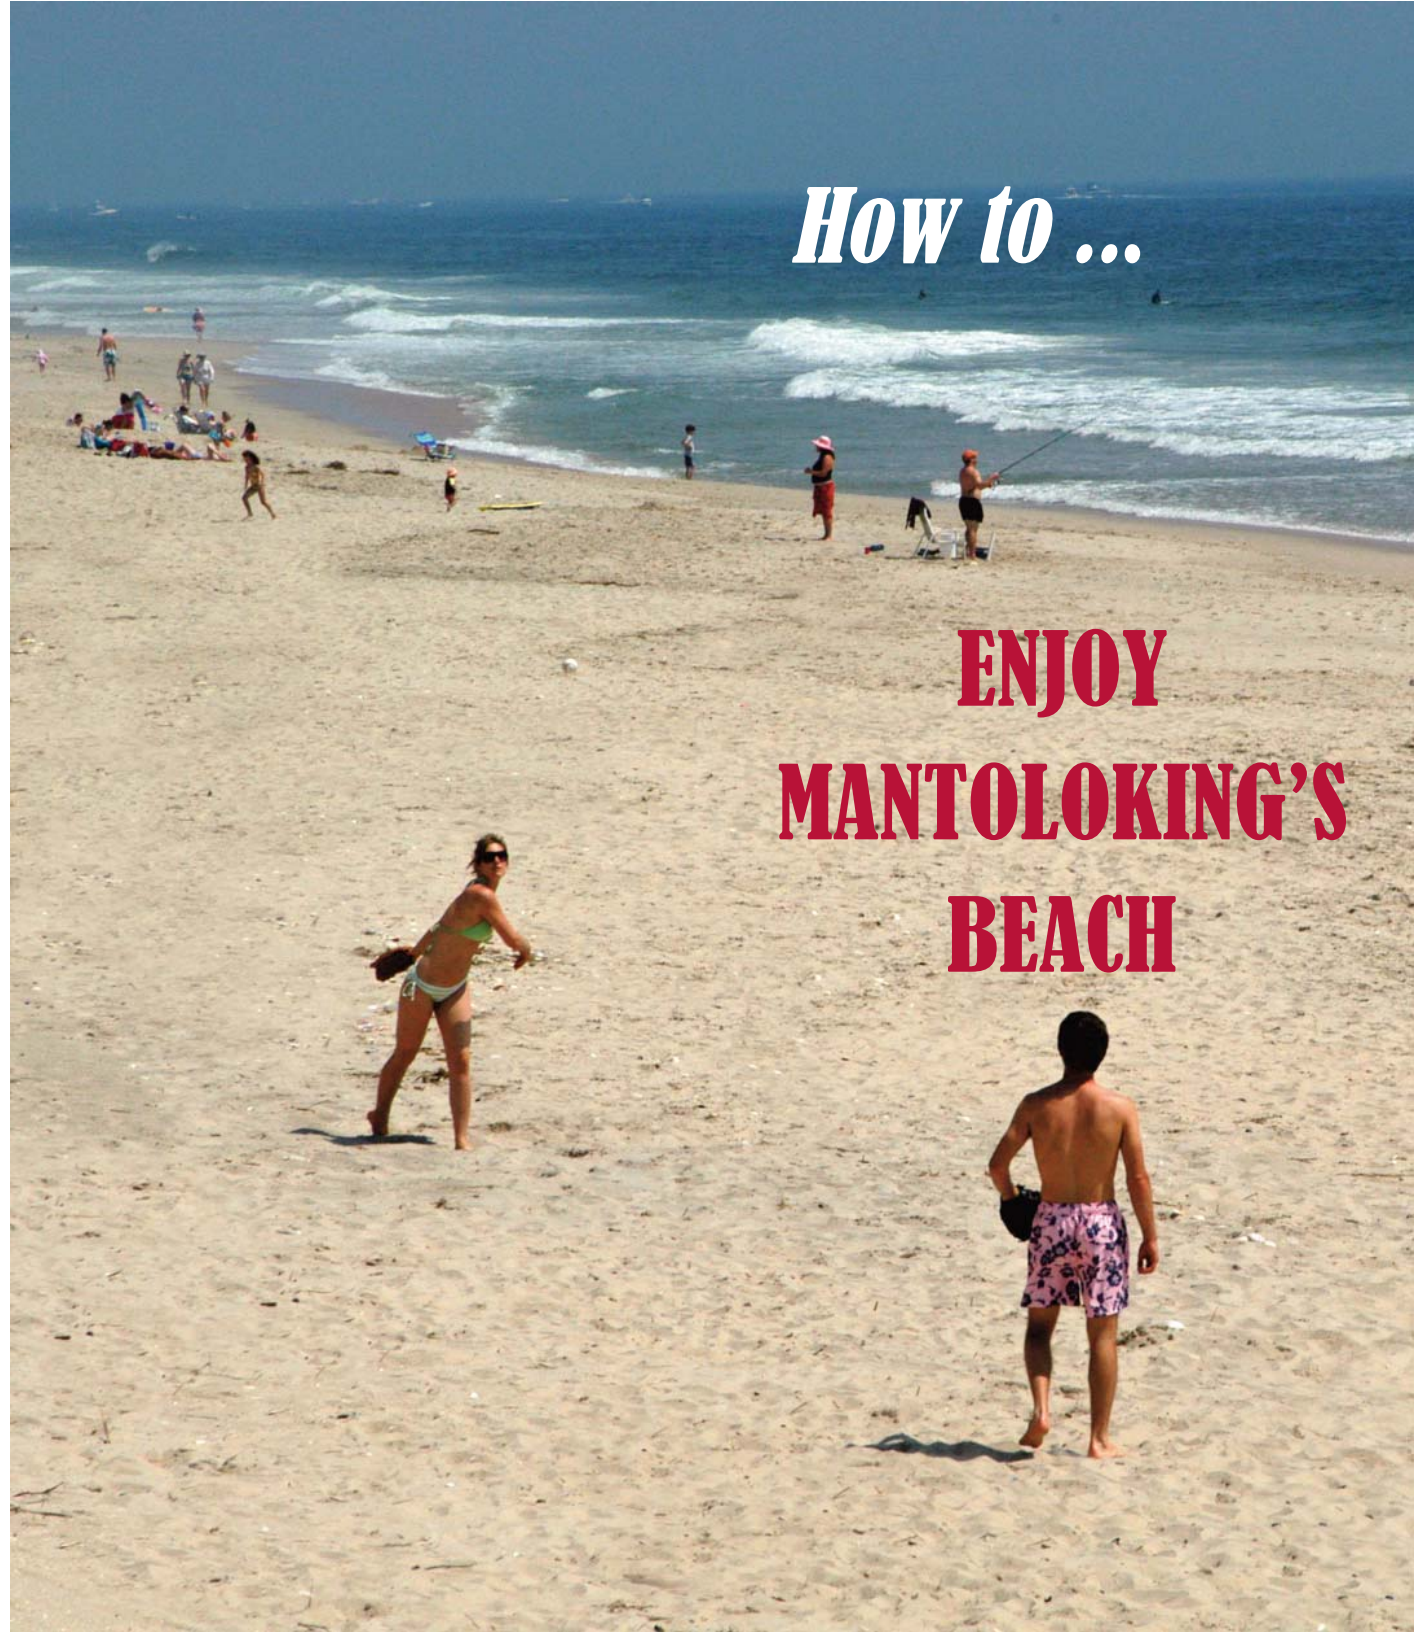

Don't bring food to the beach and take water containers home with you.

Surf & fish away from bathers

With 2.5 miles of beach, there is room for many activities.

And, if you plan to stay more than two hours, remember ...

There are no restrooms, places to eat, or shady areas, and on-street parking is limited.
