

August 14, 2009

Dear Resident:

The Borough of Mantoloking will be taking steps to insure that our trash and recycling pick-up contractor (Marpal) is able to comply with the Rules & Requirements of the Ocean County Recycling Centers. We have been warned that if our contractor does not comply, the Borough could be assessed a surcharge of \$100 per incident and may be denied access to the County's facilities.

All residents must comply with the recycling rules of Ocean County and the Recycling Center.

In order to avoid this problem, we will be providing "red violation stickers" to Marpal. The stickers will be used to inform you or your renters that the trash or recycling was not picked up because of violations to the recycling rules. Please read **Yellow Household Trash & Garbage Pick up Flyer (03/01/09)** or our website www.mantoloking.org for detailed information. Remember, we pay for backyard pickup of household trash. Changes to these procedures are listed on the back of this letter.

Trash Pick up Twice per week on your scheduled days. (see yellow flyer or www.mantoloking.org)

Bulk Waste Pick Up Once per month on 4th week of the month on your scheduled day. (see yellow flyer or www.mantoloking.org)
