

NJ DEPARTMENT OF TRANSPORTATION ROUTE 35 RECONSTRUCTION PROJECT

10-28-13
TRAFFIC ADVISORY

Please be advised that Route 35 southbound traffic will be detoured in the area between Johnson Street (milepost 11.6) and Lyman Street (milepost 10.7) within the Boroughs of Bay Head and Mantoloking beginning on or about Monday, October 28, 2013. Northbound traffic will remain on Route 35 and may experience delays traveling through the area due to the close proximity of the active construction zone.

Southbound motorists will be directed to East Avenue by a controlled intersection at Johnson Street. A temporary signal will be installed at Route 35 and Lyman Street for detoured traffic to turn left returning onto Route 35 southbound.

To learn more about this detour and to ask questions, the NJDOT is hosting a Public Information Center.

Wednesday, October 30th
4:00pm – 7:00pm
Bay Head Elementary School Library
136 Meadow Avenue, Bay Head

Thank you for your patience during this critical infrastructure project.
