

MANTOLOKING ENVIROINMENTAL COMMISSION
MEETING MINUTES

Date: July 8, 2014

Meeting No: 2014-07

Members Present: Bixby, McIntyre, Pilling, Wesson
Members Absent: Chance, Nelson, Buck

- Chairman Bixby called the meeting to order at 5:00 p.m.
- The minutes of the June 2014 meeting were approved.
- The dune planting lecture with Dr. Wootton was scrapped in favor of a native plant lecture by a representative of Rare Find Nursery. Eileen McIntyre volunteered to coordinate the lecture. Tentative date for the lecture was set for the week of August 11, 2014.
- The next commission newsletter will address bay side plants and planting techniques, pet waste disposal, proper lawn fertilizing, and organic weed killer. C. Bixby will draft the 1st cut of the newsletter and Beth will assist.
- Application of membership by Laurence (Lance) White was unanimously approved pended Council approval. C. Bixby to contact to Borough to get Lance's application on the Council meeting agenda for approval.
- C. Bixby stated that since last meeting the Borough has restored twice per week trash collection (Mondays and Thursdays) and bagged lawn waste will be collected as well.
- The next meeting will be August 12, 2014, 5:00 p.m. at the Mantoloking Yacht Club Sailing Center.

With no further business the meeting was adjourned at 5:30 p.m.
