

MANTOLOKING ENVIROINMENTAL COMMISSION
MEETING MINUTES

Date: August 11, 2015

Meeting No: 2015-08

Members Present: Bixby, Daly, Pilling, White

Members Absent: McIntyre, Witkowski, Wesson

- Chairman Bixby called the meeting to order at 5:00 p.m.
- The minutes of the July 2015 meeting were approved.
- Lance mentioned that Eileen had spoken with Sharon Shannon of the Bay Head Environmental Commission (BHEC) and Sharon indicated that the BHEC was not all that enthused in participating in a joint clean-up event. Based on this Lance recommended, and the members approved a postponement of the September 26th clean-up event.
- C. Bixby mentioned that the borough web site had been updated to include a hyperlink to a weed killer made with normal household items. The formula uses salt, vinegar, and liquid soap detergent.
- Connie mentioned that William deCamp Jr. President of Save Barnegat Bay recently published an [article](#) in the Asbury Park Press regarding the success, or lack thereof of the new storm water collection system installed on Rt. 35. John W. mentioned that he had been speaking with Mr. Roberts who lives on Lyman Street next to one of the new pump stations and Mr. Roberts believes that the collection system is leaking and pumping ground water.
- Connie mentioned that the clean-up and restoration efforts at Reedy Creek are almost complete and the area looks great with lots of new improvements.
- Connie continues to voice her concerns over the activities and storage of materials / equipment on the NJ American Water property on Bay Ave.
- The next meeting will be held September 8, 2015 beginning at 5:00 p.m. at the Mantoloking Yacht Club Sailing Center.

With no further business the meeting was adjourned at 5:45 p.m.
