PUBLIC HEARING – Mayor White opened the floor for comments on Ordinance 683

Lynn O’Mealia, 1304 Bay Avenue, asked about staffing on the weekends. Downer Avenue hours 10 a.m.-6 p.m. and Lyman Street 10 a.m.-5.00 p.m.

Mayor White- The Beach Budget is pretty big.

Chief Ferris- Beach Badge prices do not cover operation costs of Badge Checkers, 2 ATV’s and equipment.

Bill Richardson, 981 East Avenue, explained that Bay Head applied for grants for handicapped access for all street ends. He further explained that it is a challenge for older people to get up on the beaches. Mayor White responded that Downer Avenue is the only handicap access. Chief Ferris advise Mr. Richardson that the Beach Staff can assist if needed.

Lynn O’Mealia, 1304 Bay Avenue, asked if we had a surplus from last year, Mayor White responded yes. Chief Financial Officer, April Yezzi, explained that it does not carry over. Councilman Amarante said it is less likely that we will have a surplus year based on additional lifeguards and ATV’s.

John Tawgin, 1070 Barnegat Lane, wanted to know if the ATV’s will be occupied by qualified people who can save lives, Chief Ferris responded yes.

Priscilla Hiby, 907 Barnegat Lane, hopes that next year the town would consider lifeguards for the center section of town.

Councilman Nelson explained that this is an evolution and we are trying to accommodate the residents, however, if we accommodated everyone it will cost a lot of money. Let’s see how it goes this year. We should have a referendum every tax payer needs to have a say in it.

John Wesson, 1556 Runyon Lane, doesn’t see what the problem is and said the town has done a great job to accommodate the residents.

Joanne Lygas, 970 Barnegat Lane, said this topic is very emotional for people. The most practical thing to do is to look at the numbers and geographically where are the majority of people are going to the beach.

Mayor White said outsourcing is something we will have to consider.

Jane White, 305 Old Bridge, said baby steps. She agrees with Councilman Nelson with taking one summer at a time and we will figure out.

ORDINANCE NO. 683

AN ORDINANCE OF THE BOROUGH OF MANTOLOKING, COUNTY OF OCEAN, STATE OF NEW JERSEY AMENDING THE BOROUGH CODE OF THE BOROUGH OF MANTOLOKING, SO AS TO AMEND CHAPTER 10, ENTITLED “BEACH REGULATIONS” SO AS TO REMOVE SUNSET PROVISION PERTAINING TO PROVIDING LIFEGUARDS AND ADJUST DATES AND FEES FOR BEACH BADGE SALES

BE IT ORDAINED by the Mayor and Borough Council of the Borough of Mantoloking, County of Ocean, and State of New Jersey, as follows:

SECTION 1. Section 10-1.2 of Chapter 10 of the Borough Code of the Borough of Mantoloking, entitled, “Beach Regulations” is hereby amended and supplemented so as to read in its entirety as follows:

10-1.2 Findings, Declaration and Purpose.

This chapter is declared to be an exercise of the Police power in the interest of safety and welfare for the protection of persons and of property.

Access to the Atlantic Ocean beaches within and abutting the Borough of Mantoloking has, with increased population and improved transportation, become a matter of public concern. The character and quality of the access and use of the beach under the Public Trust Doctrine, as applied in New Jersey and proclaimed in various decisions of our Courts, necessitates that each community bordering on the Atlantic Ocean continuously review its policies, facilities, and procedures, together with an evaluation of the use and demand for use of beaches within the community by members of the public. The Borough is a small, fully developed, single-family, tranquil, noncommercial resort and year-round residential community on a very narrow portion of the barrier beach. Except for certain public access routes, the oceanfront at Mantoloking is privately owned, dedicated and restricted to residential use, up to the mean highwater line. These private property rights are, of course, subject to the rights of the public under the Public Trust Doctrine.

The Borough of Mantoloking recognizes its obligation to provide public access to the ocean under the Public Trust Doctrine. In furtherance of this obligation, the Borough will provide lifeguarding services at a limited number of locations ~~for the summer of 2018~~, Persons utilizing the beach for bathing or swimming at unguarded areas or when lifeguards are not present do so at their own risk. Persons using the beach for surfing, kayaking or any other recreational use are strongly cautioned that they perform such activities at their own risk.

In order to evaluate and implement such participation by the Borough as is deemed appropriate, the Borough has acquired and will continue to acquire relevant data concerning the use of the beaches by requiring those who use the ocean beaches to apply for a seasonal beach badge. Beaches within the Borough are receiving increased use by members of the public who do not reside in the Borough and who may, therefore, not be familiar with local conditions and beach regulations. Further, the increased utilization of the beach by surfers and kayakers necessitates specific regulation of these activities. Surfing presents inherent risks to its participants and to others; surfers and bathers cannot safely co-exist in close proximity to each other. It is, therefore, deemed necessary to control and regulate surfing so that, to the extent reasonably possible, the interests of all persons using the ocean may be reasonably accommodated.

The Borough of Mantoloking does, by the adoption of this chapter, express its continuing intention to establish and maintain a viable and balanced response to judicial determinations

concerning rights, both public and private, to the utilization and enjoyment of the ocean and bay beaches. The procedures, rules and regulations, as set forth and authorized herein, are deemed necessary and appropriate to provide for the health, safety and welfare of all concerned.

This chapter is not intended to be administered, enforced or interpreted in any manner that will expand public rights upon private property within the Borough, but rather to provide for access by the public pursuant to the Public Trust Doctrine and to exercise the Borough's general Police power over areas within its jurisdiction.

SECTION 2. Section 10-3 of Chapter 10 of the Borough Code of the Borough of Mantoloking, entitled, “Beach Regulations” is hereby amended and supplemented so as to read in its entirety as follows:
