Deadline to Apply for the Senior Freeze Property Tax Reimbursement Extended Again
Eligible Applicants Now Have Until February 1st to Apply for Relief

(TRENTON) - State Treasurer Elizabeth Maher Muoio announced today that New Jersey property owners who are eligible for the Senior Freeze property tax reimbursement program will have an additional month to apply for the relief program, with the application deadline now being extended until February 1, 2021.

New Jersey's [Senior Freeze program](#) reimburses eligible senior citizens and disabled individuals for increases in property taxes or mobile home park site fees on their principal residence. The COVID-19 pandemic has presented ongoing challenges in obtaining the paperwork needed from local governments in order to complete the application, prompting Treasury's Division of Taxation to extend the deadline for a second time. In October, Treasury initially announced that the deadline was being extended from November 2, 2020 to December 31, 2020.
