Review of the meeting agenda

Mayor White discussed the new agenda format that was implemented at the March meeting. The consent agenda is a tool used to streamline council meeting procedures by collecting and grouping routine, noncontroversial topics into a single agenda item that can be passed with a single motion, second and roll call vote. The new agenda is standard practice and is used in municipalities across the state. He further noted that during the regular business meeting, council would have an opportunity to remove any item from the consent agenda for separate discussion.

PUBLIC COMMENT PERIOD- On agenda items only-

Clerk Konopada was asked to read a statement into the record on behalf of resident Joann Lygas who was unable to attend the meeting.

Tonight Resolution No 2022-72 Resolution to Introduce Municipal Budget for the Year 2022 is on the agenda. Unfortunately, there is no usable Budget Information being presented to the taxpayers. This is the first time, in my memory, that a budget is being introduced without information or specificity. Also, there is no wording, as there has been in previous years, that "Copies of the budget are available in the office of the Municipal Clerk...."

When looking at the "2022 Summarized Budget Status Report as of March 31, 2022 (Rough Draft of 2022 Temporary Budget #'s)", it is obvious that the 2022 Temporary Budget is not indicative of what the actual budget proposal is.

Perhaps there are extenuating circumstances I am unaware of, but having been a member of the Finance Committee and Advisory Finance Committee in the past, I know that more accurate and representative numbers are available at this time. Perhaps the actual numbers and/or the categories might need "tweaking", but more information on the numbers and the proposed tax rate should be available to the public at this time.

Transparency has been touted over the last few years and there has been much improvement. However, in this instance, it appears to be lacking.

Within the next few days, please release more detailed 2022 budget information to the taxpayers, so that we have the time to evaluate the numbers and the impact on our taxes. Also, please make copies of the budget proposal as well as the "user friendly budget" available upon request at the Municipal Clerk's office. To release the budget a few days prior to the next Council meeting, when the budget is scheduled to be approved, is a disservice to the taxpayers.

Borough Administrator Radi reported that he had responded to Ms. Lygas. He explained that the Borough changed the budget process to align with common practice across municipalities in the State of New Jersey. Once the budget is introduced by the governing body it will be available to the public. He also noted that when a budget is introduced there is one version and there is no tweaking involved which is compliant with local budget and finance law.

Borough Attorney Cipriani advised that the procedure discussed is laid out in the law. Once introduced, budget is available. There is ample opportunity to review the budget before the next meeting. Numbers can only change by amendment.

Chief Financial Officer Yezzi explained that the regular budget will be available tomorrow, however, she has until the next week to get the user friendly budget done.

BE IT ORDAINED by the BOROUGH COUNCIL OF THE BOROUGH OF MANTOLOKING, IN THE COUNTY OF OCEAN, STATE OF NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

- Section 1. The improvements described in Section 3 of this bond ordinance are hereby authorized as general improvements to be undertaken in and by the Borough of Mantoloking, in the County of Ocean, New Jersey (the "Borough" or the "Borough of Mantoloking"). For the improvements or purposes described in Section 3, there is hereby appropriated the sum of \$308,485, said sum being inclusive of all appropriations heretofore made therefor, including \$288,485 grant funds expected to be received from the New Jersey Department of Transportation (NJDOT). No down payment is required or appropriated herein, in accordance with N.J.S.A. 40A:2-11c of the Local Bond Law.
- Section 2. In order to finance the costs of said improvements or purposes not provided for by the application of the down payment, negotiable bonds are hereby authorized to be issued in the principal amount not to exceed \$20,000, pursuant to the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.
- Section 3. (a) The improvements hereby authorized to be undertaken consist of the Bay Avenue and Arnold Street Improvements Project, together with all purposes necessary incidental or apparent thereto, all as shown on and in accordance with plans, specifications or requisitions therefor on file with or through the chief financial officer of the Borough, as finally approved by the governing body of the Borough.
- (b) The estimated maximum amount of bonds or notes to be issued for the improvements or purposes described in Section 3(a) hereof is \$20,000, as stated in Section 2 hereof.
- (c) The estimated cost of the improvements or purposes described in Section 3(a) hereof is \$308,485, which is equal to the amount of the appropriation herein made therefor. The excess of the appropriation of \$308,485 over the estimated maximum amount of bonds or notes to be issued therefor being the amount of said \$288,485 grant funds expected to be received from the NJDOT.
- Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer of the Borough, provided that no note shall mature later than one (1) year from its date. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8. The notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer, who shall determine all matters in connection with notes issued pursuant to this ordinance, and the chief financial officer's signature upon the notes shall be conclusive evidence as to all such determinations. The chief financial officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of such notes occurs, such report shall include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.
- Section 5. The following additional matters are hereby determined, declared, recited and stated:
- (a) The improvements or purposes described in Section 3 of this bond ordinance are not a current expense and are improvements or purposes that the Borough may lawfully undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.
- (b) The average period of usefulness of the improvements or purposes, within the limitations of the Local Bond Law and taking into consideration the amount of the obligations authorized for said purposes, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is twenty (20) years.

- (c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such Statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$20,000 and the obligations authorized herein will be within all debt limitations prescribed by that Law.
- (d) An aggregate amount not exceeding \$20,000 for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included as part of the cost of said improvements and is included in the estimated cost indicated herein for said improvements.
- (e) To the extent that moneys of the Borough are used to finance, on an interim basis, costs of said improvements or purposes, the Borough reasonably expects such costs to be paid or reimbursed with the proceeds of obligations issued pursuant hereto.
- Section 6. The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services is on file with the Borough Clerk and is available there for public inspection.
- Section 7. Any grant or similar moneys from time to time received by the Borough for the improvements or purposes described in Section 3 hereof, shall be applied either to direct payment of the cost of the improvements within the appropriation herein authorized or to payment of the obligations issued pursuant to this ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are received and so used.
- Section 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and, unless paid from other sources, the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation as to rate or amount.
- Section 9. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

Councilman Amarante read the following statement:

2022 Mantoloking Budget Introduction

The 2022 proposed municipal budget totals \$6,246,231. The budget uses \$750,000 of our available surplus balance of \$1,477,437. The amount to be raised by local taxes is \$4,337,293, an increase of \$197,561 (4.7%) from 2021. The resulting proposed tax rate for 2022 is 28.6 cents per \$100 of assessed property value, an increase of one cent from last year.

The average residential property assessed value for 2022 is \$2,679,749, an increase of \$39,980 (1.5%) from 2021. The new assessments will generate approximately \$70,000 in additional revenue at the municipal level in 2022.

The proposed budget includes \$50,000 in reserve funds for future capital expenditures including road repairs and a replacement vehicle for Public Works. It also includes funding for a required new Police Department alcohol tester and two replacement police vehicles. We are deviating from our normal replacement cycle of one vehicle per year due to the delays in vehicle production. It is anticipated that there will not be a budget item in 2023 for a police vehicle. The budget continues to fund our annual sewer inspection and maintenance program. Finally, there is an increase of \$82,200 in our debt service burden related to the municipal building this year. This was planned when the bonds were issued to shift more of the burden to a time when assessed values had recovered.

The costs for insurance, pension obligations, energy, payroll, contracted services, and debt service are accelerating faster than anticipated additional revenue. This impacted the 2022 budget and is expected to continue. We will continue to monitor expenditures and examine possible cost savings including shared services without impacting levels of service.

I would like to thank John Conti, April, Brett and all the department heads for their assistance in the budget process.

Councilman Conti commended Tony, April and Brett for the enormous amount of work they put into this process and to the department heads for being well prepared.
