**Mayor awards and recognition:**

Mayor White honored Councilman Steve Gillingham and discussed his professional career.

- lived in Mantoloking since 1940 with brief breaks.
- Lifeguard for the Mantoloking Beach Association for fifteen years
- He has been the council representative on the Planning Board/Board of Adjustment
- Council President nine times
- Served on council for twenty four years, relected seven consecutive times.
- Negotiated five collective bargaining contracts with the Mantoloking Police Benevelovent Association
- Has chaired almost every committee there is.
- Developed the council's agenda and minutes formats
- Created the user friendly budget document which we still use today.

He has always acted with the best interest of Mantoloking in mind. He did what he thought was best for the town. He has been a steady influence for the governing body and the residents all these years. He is my mentor, he is my friend. I am honored to have served with you for six years my friend.

Mayor White requested a motion to name the council meeting room, the Steve Gillinham meeting room.

Moved by Councilwoman Benz, seconded by Councilman Nelson and approved by unanimous roll call vote. Mayor White added that a plaque will be made and place outside the door.

Council Gillinham thanked the voters and other residents of Mantoloking for the privilege of serving as a member of their municipal Planning Board for twenty four years. He finds it hard to believe that he could even aspire to be a leader in one of New Jersey's most distinguished and probably the country's distinguished municipality, and the to be elected eight times , served four Mayors, and cooperated with elected official in a way that was an inspiration and education for him. He found an efficient and effective and congenial local government when he arrived here in 1997 and he is proud of the contributions he has made to pertuating it . He promises to continue his interest in his life long home town and offers help where ever possible. Thank you very much.

Jane White noted that when she started on the Planning board at a particular meeting every person was 100% and voted one way and Steve gave his opinion and he changed every single one of our our minds and we all voted Steve's way. He came to every single meeting so prepared. Such an honor to know him since she was 4 years old.

Patrolman Logan LaRue – Mayor White read a police report regarding an incident that happened on 10/24/21 where Patrolman LaRue responded to an accident which resulted in a car hitting a pole. Patrolman LaRue along with backup from Bay Head, Patrolman Joseph Kraus and Special Officer II Daniel Davor, observed an AR15 rifle lying on the floor boards of the back of vehicle. After he was in custody and searched, it was found he was wearing body armour under his sweatshirt. A protective sweep was made of the subject's vehicle which the officers discovered the AR15 rifle loaded with high capacity magazine on the back floor of the vehicle, also discovered was a loaded 9 mm hand gun in the center console along with three high capacity magazines loaded with hollow point ammunition for the hand gun and three more high capacity magazines loaded with hollow point ammunition for the rifle. These hollow point bullets are illegal. This incident tells us clearly that our officers need to be deilgent at all times. Their job is a dangerous one and they are very good at what they do. They are smart, they care and they are well trained and we are very fortunate to have them here and their colleagues from the neighboring towns. The officers were professional, calm and thorough. What could have wound up being a difficult violent situation, did not. Everybody was safe, including ourselves. On behalf of the governing body and the residents, Mayor White presented a certificate and thanked Officer LaRue and added that they are proud to have him as a member of the community.

Robert McIntyre, 104 Williams Place, spoke about Jane White. He has been on the planning Board for approximately thirty years. He expressed his regret that Jane will no longer be chairing. It was a special pleasure having Jane on the planning board because she moved things along with a calm efficiency that expedited issues and applications. Jane always managed to calmly keep things on the track. She never used her gavel. Most importantly she welcomed the applicant and that is the purpose of the planning Board. Mayor White added, Jane as your husband, and as a resident of this town and also the Mayor, I say thank you.

Mayor White discussed Denise Boughton's contributions to the community. She manages and distributes the Blue Book Directory, publishes the Mantoloking Reporter which is considered an important means of communication which provides all kinds of information that is very helpful for residents. Denise along with a few others show up each year for the tree lighting, brings refreshments, does lights and gets things ready so everything is perfect. Denise has been an

important part of the tree lightings for many years. She is also a long time member of the Planning Board, she started in 2009 and does a great job. She is a member of the Enviromental Commission. Mayor White thanked her for her contributions and notes that she has brought a lot to the community and is one of the people who make it tick.

**5. RESOLUTION NO. 2021-146**

**RESOLUTION: MINUTES OF PREVIOUS MEETINGS**

**RESOLVED**, the Mantoloking Borough Council approved the minutes of the following meeting as printed and distributed.

Caucus/Regular Business Meeting- November 15, 2021

**ROLL CALL VOTE RESOLUTION 2021-146**

Moved by Councilman Amarante, seconded by Councilwoman Benz and approved by unanimous roll call vote.

- 6. PRIVILEGE OF THE FLOOR:** Mayor White opened the meeting for public comment and questions about the agenda. State your name and address for the record. Once you have finished speaking, please place your phone or computer audio on mute.

Councilwoman Benz asked for more information regarding the shared agreements with Ocean County. There is no question that these are good programs, but she would like to know a little bit more about them and how the County assists us.

Chief Ferris reported that they partner with the County on larger investigations. They find that people in this day and age are no longer just alcohol influenced when driving and sometimes are under the influence of drugs. The course is long to send officers to, a month of training and then they have continuing training. This allows us to enroll in their program and through a callout to the county they will send us an officer to help our officers decide whether or not and how they are charging somebody who may be under the influence of drugs. The DUI allows for different programs throughout the community. If anyone is suspected to be drinking or driving they pull off to the side which allows officers to come into our town, Sheriff's Dept and others to help.

Recodification is continuing to move forward, focusing primarily on some land use issues including stormwater management. She anticipates that in January, February there will be a lot of meeting proposals on different ways where we have flexibility. We are making sure we are in compliance.

They will meet with the relevant borough employees and make sure that what we are doing or proposing is in accordance with the procedures that we are comfortable with. She does not want anything in the code that does not match up with what we are currently doing, unless what we are currently doing is inappropriate in some way.

Councilwoman O'Mealia noted that they will circle back in the spring regarding time frame and budget. They will provide red line document for the public as discussed in the past.
