- Attorney Jean Cipriani – DEP and Board of Health requires bathrooms at access points
- Robert Mainberger dealing with Board of Health application process  
What is difference of cost of contract with Scout Lifeguards versus borough employing lifeguards  
Councilman White said hiring Scout as a Corporation was not feasible, next option to hire lifeguards who will fill out applications.
- Councilman Gillingham responded it is a wash

Ms. Lygas also inquired if there are any apparent conflicts of interest with those members of Council that are part of the Mantoloking Beach Association and if they should recuse themselves from voting  
Councilman Rzemieniewski responded “no”

Peter Flihan, 1105 Barnegat Lane, wanted to know if the \$75 beach badge is for all beaches or just those with lifeguards.

Dan Hurley, 1106 Barnegat Lane, had concerns regarding the \$75 badge fee with no services.  
Suggestion made regarding an Emergency Phone with only 911 access be installed in secure manner at all beach access points. He also suggested that thought be given to roving ATV’s equipped with life guard equipment and lifeguards until a more permanent solution is achieved.

Councilman Amarante explained South Beach charges \$525 for family membership with an unlimited number of badges.

Dune Fencing is available to Ocean Front Homeowners, call Lynne Hazelet at the Borough Hall to reserve fencing. The Public Work’s Department started to push sand at the northern end of town. They will do one more push.

**A. RESOLUTION NO. 05/15/2018-06: APPOINTMENT OF PERSONNEL PART-TIME**

**RESOLVED**, the Mayor and Council of the Borough of Mantoloking, Ocean County, New Jersey approved the following appointments with the terms and conditions indicated:

Name	Position	Effective Date	Salary
William Heckman	Public Works Laborer Part-Time	4/25/2018	\$30.00/hour * No more than 24 Hours per week in accordance with NJ State Division of Pensions and Benefits*

**B. RESOLUTION NO. 05/15/2018-07: APPOINTMENT PERSONNEL PART-TIME**

**RESOLVED**, the Mayor and Council of the Borough of Mantoloking, Ocean County, New Jersey approved the following appointments with the terms and conditions indicated:

Name	Position	Effective Date	Salary
Todd Morgano	Plumbing Inspector	5/2/2018	\$35.00/hour

Liz Huston, 1339 Ocean Avenue, had questions regarding additional fencing by access points. Robert Mainberger, Mott McDonald, advised that additional fencing is optional, not mandatory. If you want to put up fence on dune and delineate property boundary you can do that. The planted grass is coming in great. The Army Corp placed fencing at the tow of dune, you can open it, and if it obstructs your view you can remove it. Mr. Mainberger also explained if fence is installed on either side of split rail fence at walkways there could be an issue if a dune starts to form and may prevent you from removing it.

Valerie McDowell, 1122 Barnegat Lane, car pulled into a lot at the end of Herbert Street and got stuck in the sand. She asked if property owners can place a fence around the property so people don't drive on it. Councilman White advised that we can ask them.

Councilman Nelson wanted to hear from the experts in the room regarding their perspective.

Borough Attorney, Jean Cipriani, responded that she is legally comfortable with the Borough operating guarded beaches. All lifeguards need to have required licenses. She developed a lifeguard application.

Councilman White stated we will hire Wade to be Head Lifeguard and he will be working with Chief Ferris and Lieutenant Barcus and be a part of the Police Department.

Councilman Nelson–fiscal perspective in terms of the right budget being in place.

April Yezzi,CFO– looking at all expenditures, this is the first year doing this, captured all the costs. An estimate of \$75 a badge fee. There are a lot of variables.

Councilman Nelson-public safety-lifeguard supervision is not in the police contract.

Chief Ferris – said she met with Wade twice and this will be a lot of work. Wade will start working next Monday. Lifeguards will be vetted and meet standards. We think we have captured all the costs. We will make it work the best we can.

Councilman Nelson indicated he is personally torn with his vote. He asked is we can amend the ordinance and put an expiration date. Attorney Cipriani advised that she sent a version with the sunset and that the Borough is committing to the summer of 2018. Language is already there.

Councilman White indicated that we will have to redo the ordinance for next summer.

Councilman Amarante inquired if there is a detailed plan to avoid overtime for head lifeguards.

Chief Ferris -we just don't know, 3 lifeguards for each stand in town for 40 hours a week and will find somebody as assistant head lifeguard. We will be micromanaging the payroll.

Councilman Amarante – this is a fluid situation. Going back to the budget, don't know items of additional expense.

Borough Attorney, Jean Cipriani, reached out to the adjuster, made him aware of no third party.

1. on going conversation with the NJ Jiff

2. told the adjuster I would let him know if there will be lifeguards or not.

Councilman Nelson – consider putting Chief Ferris to explore looking at other municipalities, this is not a popularity contest. Call on the Mayor and Council President to form committee and nip this in the bud for next week. No council members on it. People in the public.

Councilman Rzmieniewski, the Mayor appointed a committee

Councilman Nelson – it was not ideal, we need to get it right for next year.

Councilman White – committee is vital and he likes small committees, every part of town will be represented. Badge checkers will have a clicker. Meetings with residents and move forward together to have a good result next summer.

**WHEREAS**, Wade Bredin has the necessary certification to serve as a lifeguard and the experience in lifeguard training, supervision and scheduling to serve as Head Lifeguard.

12. **DUNE & BEACH COMMITTEE:** Councilman Nelson presented the reports of the Dune & Beach Committee and Ocean County Block Grant Program and moved the following resolutions.

Councilman Amarante agreed with Councilman Nelson and thanked Council President White and the staff. He stated for the record the following:

I would like to go on record with my thoughts regarding the Town of Mantoloking providing lifeguards:

First, to those who say that the town is obligated to provide lifeguards this summer, I respectfully disagree. The fact that a private entity that served SOME of our residents has decided not to operate does not, in my opinion, automatically place that requirement on the town. It was prudent that the town agreed to investigate the possibility of taking over.

Some residents are asking, “Why are we still talking about this?” My response to that is that this is not an easy decision when you look at all the possible ramifications for our town both now and in the future if we do provide lifeguards. I believe most residents, including myself, would prefer to have lifeguards in some manner for this summer and beyond. The question is who should provide them, at what level, at what cost to taxpayers and, as I stated previously, with what possible ramifications both now and in years to come.

I have suggested that the town provide lifeguards at Downer Ave only for 2018 as a one summer emergency solution with an expiration date on an ordinance authorizing such. This proposal, along with the continued operation of South Beach Association would provide the town with almost equivalent coverage to what was available last summer. I also would request that the mayor and council president commit to the formation of a geographically representative committee to investigate all options for 2019. The suggestions offered in Councilman Nelson’s comments last week would be a good starting point for discussion. I would respectfully request to be a part of this committee.

Finally, I believe part of my responsibility as a councilperson is to carefully examine any and all substantial expenditures being proposed with the goal of always protecting the town and minimizing the tax burden on residents. I take this responsibility very seriously and my opinion and vote on an issue will not be influenced by comments that Mantoloking is a wealthy town.

I would be happy to discuss my thoughts further with any resident.

Councilman Nelson discussed amending Ordinance 678 to only include Downer Avenue. Borough Attorney, Jean Cipriani, advised that you can set that level driven by amount of lifeguards.

Councilman Amarante needed clarification regarding who is the authority that dictates how many beached the borough operates. Borough Attorney, Jean Cipriani, advised that the Governing Body does and the Ordinance does not.

Councilman Gillingham explained when the budget is reviewed and personnel is hired. A Tentative budget provides for six lifeguards, council has the obligation to determine that.

Chief Ferris – to schedule two beaches, we will need 6 hires, however, we might need 12 to 20 people to cover staffing needs.

## **ORDINANCE 678**

### **AN ORDINANCE OF THE BOROUGH OF MANTOLOKING, COUNTY OF OCEAN, STATE OF NEW JERSEY AMENDING THE BOROUGH CODE OF THE BOROUGH OF MANTOLOKING, SO AS TO AMEND CHAPTER 10, ENTITLED "BEACH REGULATIONS"**

**BE IT ORDAINED** by the Mayor and Borough Council of the Borough of Mantoloking, County of Ocean, and State of New Jersey, as follows:

**SECTION 1.** Chapter 10 of the Borough Code of the Borough of Mantoloking, entitled, "Beach Regulations" is hereby amended and supplemented so as to read in its entirety as follows:

#### **10-1 TITLE AND PURPOSE.**

##### **10-1.1 Short Title.**

This chapter may be cited and referred to as "The Beach Ordinance of the Borough of Mantoloking.

##### **10-1.2 Findings, Declaration and Purpose.**

This chapter is declared to be an exercise of the Police power in the interest of safety and welfare for the protection of persons and of property.

Access to the Atlantic Ocean beaches within and abutting the Borough of Mantoloking has, with increased population and improved transportation, become a matter of public concern. The character and quality of the access and use of the beach under the Public Trust Doctrine, as applied in New Jersey and proclaimed in various decisions of our Courts, necessitates that each community bordering on the Atlantic Ocean continuously review its policies, facilities, and procedures, together with an evaluation of the use and demand for use of beaches within the community by members of the public. The Borough is a small, fully developed, single-family, tranquil, noncommercial resort and year-round residential community on a very narrow portion of the barrier beach. Except for certain public access routes, the oceanfront at Mantoloking is privately owned, dedicated and restricted to residential use, up to the mean highwater line. These private property rights are, of course, subject to the rights of the public under the Public Trust Doctrine.

The Borough of Mantoloking recognizes its obligation to provide public access to the ocean under the Public Trust Doctrine. In furtherance of this obligation, the Borough will provide lifeguarding services at a limited number of locations for the summer of 2018, Persons utilizing the beach for bathing or swimming at unguarded areas or when lifeguards are not present do so at their own risk. Persons using the beach for surfing, kayaking or any other recreational use are strongly cautioned that they perform such activities at their own risk.

In order to evaluate and implement such participation by the Borough as is deemed appropriate, the Borough has acquired and will continue to acquire relevant data concerning the use of the beaches by requiring those who use the ocean beaches to apply for a seasonal beach badge. Beaches within the Borough are receiving increased use by members of the public who do not reside in the Borough and who may, therefore, not be familiar with local conditions and beach regulations. Further, the increased utilization of the beach by surfers and kayakers necessitates specific regulation of these activities. Surfing presents inherent risks to its participants and to others; surfers and bathers cannot safely co-exist in close proximity to each other. It is, therefore, deemed necessary to control and regulate surfing so that, to the extent reasonably possible, the interests of all persons using the ocean may be reasonably accommodated.

The Borough of Mantoloking does, by the adoption of this chapter, express its continuing intention to establish and maintain a viable and balanced response to judicial determinations concerning rights, both public and private, to the utilization and enjoyment of the ocean and bay beaches. This chapter is not intended to be administered, enforced or interpreted in any manner that will expand public rights upon private property within the Borough, but rather to provide for access by the public pursuant to the Public Trust Doctrine and to exercise the Borough's general Police power over areas within its jurisdiction.
