# Ocean County Has New Recycling Rules

## Mantoloking Residents can now recycle many more items

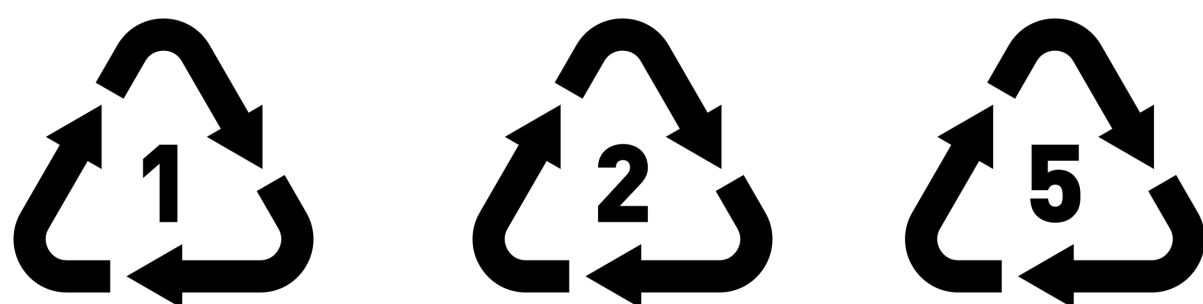

Effective immediately, due to Ocean County's new state of the art recycling facilities, we can now recycle many more materials thus reducing the amount of waste going to the landfill!

**In addition to the already allowed recyclables, the following are **new acceptable materials** for our single stream recycling:**

- Yogurt containers, fast food plastic beverage cups and lids
- Clean aluminum foil and aluminum food containers
- Chipboard such as cereal boxes, food boxes, tissue boxes, paper towel and toilet paper rolls

- Plastics labeled as 1, 2, and 5

*Look for the number  
printed inside the recycling  
triangle on any plastic  
object*

**ALL ITEMS MUST BE CLEAN PRIOR TO ADDING TO THE RECYCLING.** *No scrubbing required...just give them a light rinse to remove any food debris.*
